ProfVal is the purpose-driven, professor-founded, and ethically-grounded Expert Opinion Letter (EOL) leader

---

### **Our research-backed and ethically-oriented approach leads to better Expert Opinion Letters (EOL)s for your clients**

- PhD-conducted research drives our approach, expert selection, and methodology
- Analyses are expert-written and customized, in contrast with other firms that reuse un-adapted templates that may be irrelevant to your client's needs:
  - *We work with leading discipline experts and thought leaders*
  - *Each expert must meet our founder's strict academic criteria*
  - *Professors are affiliated with accredited and ranked US programs --- i.e., no for-profit schools*
  - *Clients have the option to approve the credentials of an expert prior to payment*
- Based on our purpose-driven and ethically-focused mission, we:
  - *Only accept cases that we believe meet relevant USCIS requirements*
  - *Never sell you services you don't need*
  - *Donate part of our profits to charity through [profval.org](https://www.profval.org)*

*“ I cannot recommend ProfVal enough for its quality, attention to detail, and truly customized letters for each client. This is in contrast with Expert Opinion Letters I have ordered from other companies that were full of mistakes and a copy/paste of the same information regardless of client. ”*

~ F. Cortes, Immigration Attorney
